CEO Message:

I am Tarek Elsherif, founder & CEO of 4Z for Quality. Our company's purpose is business development consulting; & at the core, solving complex ISO conformity & quality management challenges. This is what we promise our clients & aspire to do, in a comprehensive & sustainable context.

I have always believed that when it comes to define & communicate a company's vision & goals, conciseness is a virtue.

We continuously focus on:

- **Quality** – exceptional quality is what satisfies our customers, & it is the guarantee for growth & retention of the customer base.
- **Service** – excellent service is not just a theoretical concept; it is the practical way by which we develop customer loyalty.
- **Credibility** – undebatable credibility is the driving force behind our growth in the short- & long-term.
- **Performance** – peak performance is a commitment for us, to be fully prepared as individuals & as a team to do our best.

This is 4Z for Quality – a company with a vision we are proud of, and a bright future we are sure of!
